THERMAL WRAP TREATMENT

COLOR PROTECT & REPAIR

The ikoo Thermal Treatment Wrap - Color Protect & Repair protects your hair from the harmful effects of everyday influences. Our formula gently and deeply maintains healthy hair structure and regenerates damaged roots and ends while also revitalizing the scalp. Hair will be healthier and shinier.

The pleasant heat development makes of the application a wellness experience and ensures that the care substances penetrate the hair structure particularly well.

Lavender oil, basil and a variety of other natural extracts help to strengthen the hair. Basil oil stimulates the scalp and promotes healthy hair growth.

THERMAL WRAP TREATMENT

HYDRATE & SHINE

The new Thermal Treatment Wrap – Hydrate & Shine hair mask offers intensive care for anyone with dehydrated, dull or frizzy hair. Our new formula cares for damaged hair and protects against hair breakage. The hair will be shinier and healthier.

The pleasant heat development makes the application a wellness experience and ensures that the components can penetrate the hair structure particularly well.

Care ingredients such as chamomile oil, macadamia oil and honey extracts provide deep hydration and a long-lasting, brilliant shine.

HYDRATE & SHINE MASK
MASQUE CHEVEUX HYDRATATION &
ÉCLAT
with conditioning and hydrating oils of
avocado, jojoba, sunflower, and
olive oil, along with organic
lavender, basil, and rosemary.

Main Ingredients
Habichtsalbe, Weißdornblätter

1. After shampooing, rinse and dry hair gently with a towel and slip the wrap securely on the head.

3. Leave on for 15-25 min. and massage frequently and gently to spread the treatment thoroughly into hair and roots.

2. Gently fix the sticker to secure the wrap (for thick or long hair, secure hair with a bun before slipping on the wrap).

4. The thermal function creates heat independently which enhances the healthy influences of basil and lavender to rejuvenate the hair.
